Chair

Local Authority Caterers Association

# The Importance of School Food and the Facilities in the Wider Context

- Education is Changing - BSF, Academies, Trust Schools, Extended Schools, Federations
- The Profile of School Food and Nutrition has never been Higher
- Obesity crisis..health and wellbeing agenda.. Every child Matters
- The delivery of Services will change

- 
- Importance of premises
  - Proposed amendments to the school premises regulations
  - Factors to consider...space, type of service, cost/budget, objectives
  - Involve all stakeholders
  - Architects to engage/listen to requirements

# Importance of School Meals Matters
